Notes/Comments:		

PLEASE NOTE: Students must present an entrance portfolio to the Photography faculty before completion of their second course in photography and pass the portfolio review for admission into the Photography area of study.

Notes/Comments: This is an example of what a four-year plan could look like for a typical incoming freshman. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU.
